Clerk Anschutz submitted an application to the Wisconsin Elections Commission for a grant to replace/update the town computer and contract for IT support. She asked the Board what should be done with the old computer and they recommended it be disposed of.

The University of Oshkosh is conducting a groundwater study of Door County. They are reaching out to residents who want their private wells tested. If a private well is chosen for the study, cost would be \$20.00. Anyone is welcome to participate in the study for \$45.00 if your well is not chosen. RSVP to DC Health Dept. by Oct. 18th.

County Board Update: Sue Kohout reported;

- Resolution to accept a grant for Phase II at Dunes Lake,
- Soil and Water Dept to sustain Great Lakes Grant for invasive projects,
- Two hangar contracts approved,
- DC Economic Development promoting affordable housing study. County agreed to turn over five undeveloped lots behind Egg Harbor Road to the City for potential development.

Public Discussion – Harry Porter asked if the Town was considering an ordinance to ban the use of coal-tar products in the town. This will be put on next month's agenda.

Other Correspondence – Clerk Anschutz provided contact info for those experiencing shoreline erosion.

Following the review and payment of bills, a motion was made by Supervisor Skup, 2nd by Supervisor Schuster to adjourn at 9:07 p.m.

Respectfully submitted,
Nancy Anschutz, Town Clerk
